ELEVATING EVERYDAY LIVING

## ABOUT US

### Erfolg Living by ERFOLG

Established in 2022, Erfolg Living by ERFOLG is a premium manufacturer and exporter of luxury bath solutions and accessories. We specialize in creating timeless, elegant and functional products that elevate everyday living.

With a perfect blend of innovative design, superior quality and meticulous craftsmanship, our collections are thoughtfully created to suit modern lifestyles and sophisticated spaces.

Our commitment to excellence and customer satisfaction has helped us build a strong presence in the global market, serving clients who value quality, style and reliability.

## FOUNDER MESSAGE

“

Dear Partners,

When we founded Erfolg Living in 2022, our vision was simple yet powerful – to create luxury bath solutions that blend timeless design, superior quality and exceptional craftsmanship.

Every product we make in copper reflects our passion for perfection and our belief that true luxury lies in the details. From bathtubs to basins, from sentinels to accessories, each piece is a testament to our dedication to elevating everyday living.

Today, as we serve clients across the USA and Europe, we remain committed to the values we started with – quality, reliability and trust.

Thank you for being a part of our journey. Together, we continue to shape spaces that inspire.

”

## OUR MANUFACTURING PROCESS

At Erfolg Living, every piece is a result of precision, skill, and dedication. Here's a glimpse into the steps that shape our premium copper products.

### SHEET CUTTING

Sheets are cut to the required size and shape with precision.

### HAMMERING & SHAPING

Skilled hands shape the copper with traditional hammering techniques.

### GAS WELDING

Parts are joined together using gas welding for strength and durability.

### ARGON WELDING

Precision welding ensures seamless joints and a flawless finish.

### SANDING & POLISHING

Surfaces are sanded and polished to achieve a smooth, refined look.

### TINNING

Tinning is done to prevent corrosion and enhance the longevity of copper.

### NICKELING

A nickel coating is added for extra strength, durability and shine.

### LACQUERING

A protective lacquer is applied to preserve the finish and maintain lasting beauty.

#### EXPERT CRAFTSMANSHIP

Each piece is crafted by skilled artisans with years of experience.

#### QUALITY ASSURANCE

Every step undergoes strict quality checks to ensure the highest standards.

#### MADE WITH CARE

Passion and precision go into every detail of our products.

#### SAFE PACKAGING

Products are packed securely to ensure safe delivery.
